Establish in our minds the things we have learned and recall with pleasure the happy days we have spent together;

Insure the memories of our friends and associates;

Provide for the time when this period will seem long departed;

Promote an everlasting school spirit
and

Secure the blessings of these days for ourselves and our posterity . . .

Do ordain and establish this
WOODBINE
for the past year at

JAMES WOOD HIGH SCHOOL.

We the Graduating Class. . . .

. . . and to the many tasks that you have performed which have added to the honor and prestige of James Wood School.

We know you will continue, as you have in the past, to bring praise to this our Alma Mater

Alma Mater

By the City that he founded,
Heart of Frederick lands,
James Wood High, our Alma Mater,
In her beauty stands.
From five schools of age and service,
Came her history.
Now we all give full devotion,
James Wood, Hail to thee.

Days with James Wood ne'er are over
For with school days through,
As alumnae we will ever
Keep her service true.
Be our years but few or many,
Fraught with joy or woe,
We will sing to James Wood praises,
Wheresoe'er we go.

Tho for future we are planning
Lives of useful joy
Memories of youth are longest
May they never cloy.
Onward ever! Be the watchword
Conquer and prevail,
Hail to thee, dear James Wood High School!
Hail to thee! All Hail!

It assists each pupil in knowing himself as an individual and as a member of society, helps him to intelligently plan and prepare for a career, to learn about educational opportunities open to him, and to discover and develop creative interests.

Mrs. Kave dictates the names of the ninth grade students to Mrs. Mason who types them for the school records. In the background Mr. Ware fills in the information on some important forms.

Music is often called the "Universal Language". The objective of the music department of James Wood High School is to expose as many students as possible to the advantages of knowing and understanding this universal language through active participation. This may be accomplished by a student's interest in instrumental, choral, or general music classes.

Music finds itself in each student's life in varying forms. They will find it brings satisfaction – joy – sorrow – comfort – to every emotion that lives within the human soul. Music is an integral part of life itself.

The voices of the mixed chorus blend into harmony under the skillful direction of Mr. Stuart.

Preparing for Careers in Marketing and Distribution

Distributive Education this year reached an all time high in the high school program as well as the adult area. The enrollment this year was 59 students working in 26 different training stations in Winchester and Frederick County. Students in the program this year had an opportunity to learn good grooming, how to apply for a job, selling, stock-keeping, merchandising, economics, and store operation. What is learned in the classroom is applied on the job. During the year there were three D.E. sections; one D.E. II and two D.E. I classes. Seniors

As Spring approaches, the time of graduation grows near, but the fulfillment of purpose will not fully materialize with graduation. Our dreams of the future are strengthened with wisdom attained through the pursuit of knowledge, dedication obtained from loyalty to our Alma Mater, responsibility from dependable participation in clubs, and obedience from classroom work following the guidance of our teachers and counselors.

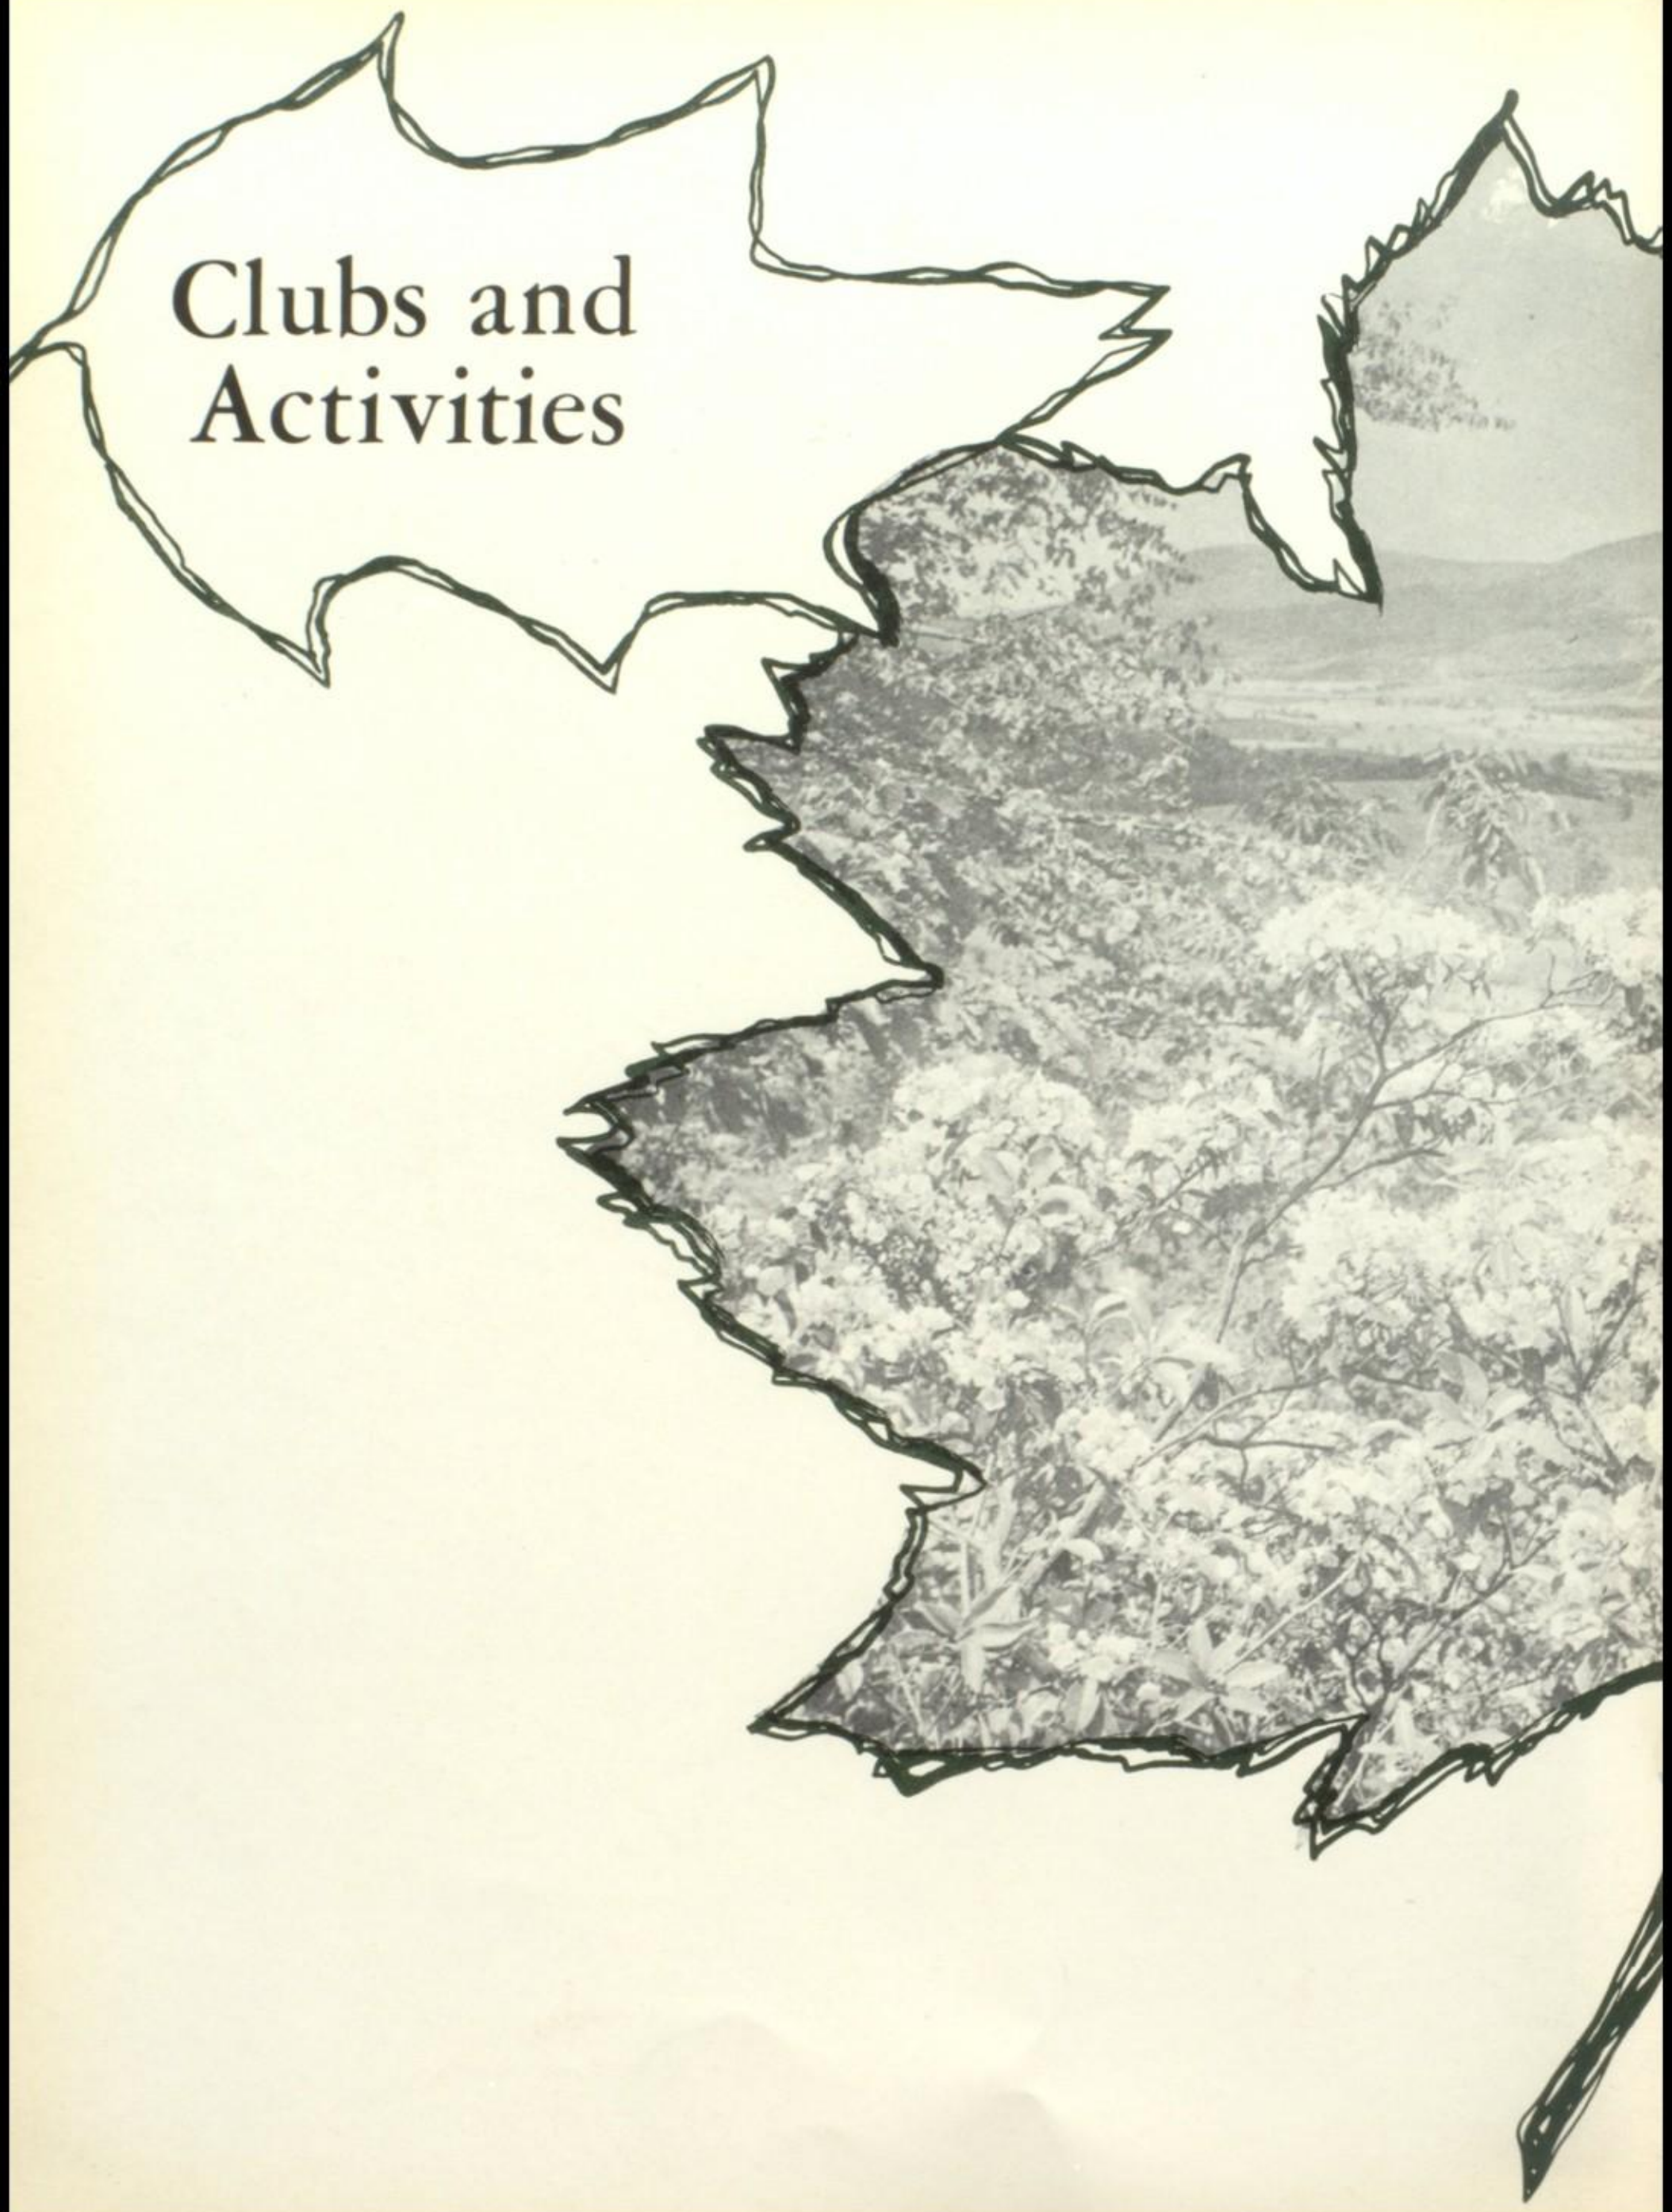
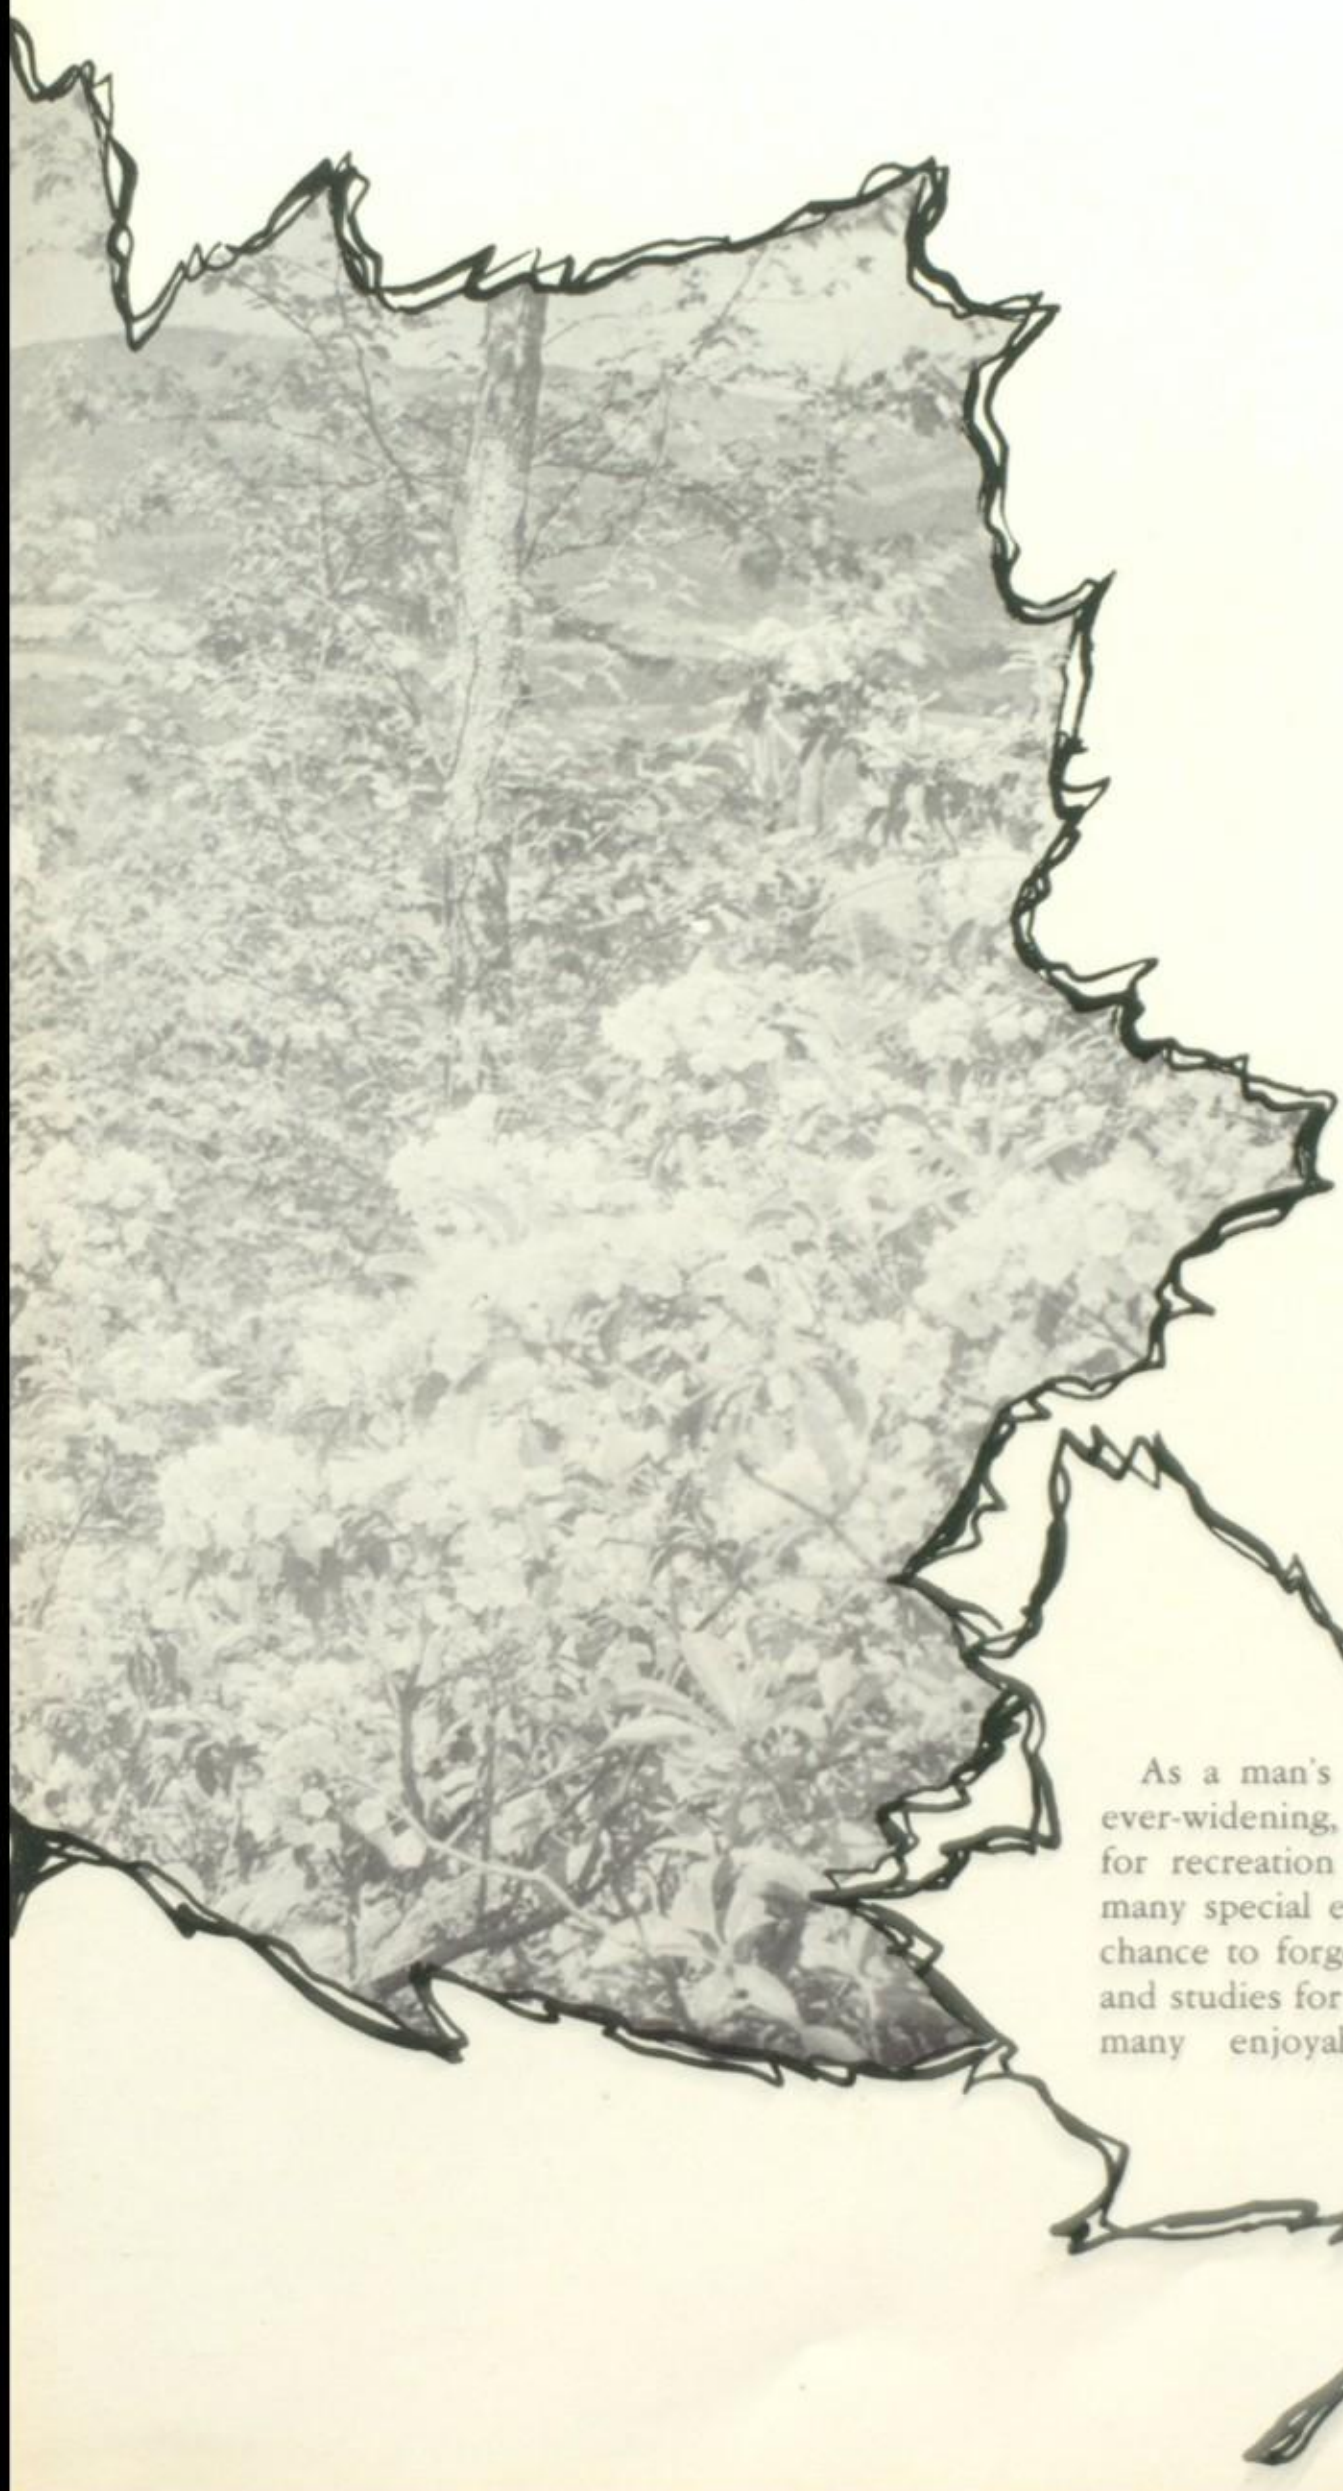
Clubs and Activities





As a man's horizon becomes ever-widening, so does his need for recreation and leisure. The many special events at James Wood give us a chance to forget the busy schedule of classes and studies for awhile, and to participate in the many enjoyable extracurricular activities.

The Student Co-Operative Association, whose membership is composed of all students attending James Wood, is our governing body. The S.C.A. Council, which meets every month is made up of all the officers and committee Members and one representative from each homeroom. The projects throughout the year are designed to benefit the school as well as each individual student. Important annual projects include: three Howdy Hops to "celebrate" the opening of school, a used book store sale, a Christmas Dance, and the publishing of the honor roll following each report period. Usually the S.C.A. also sponsors an assembly of general interest but due to the conditions in the auditorium they were unable to do so. This year they assisted the new junior high school in forming their own S.C.A.

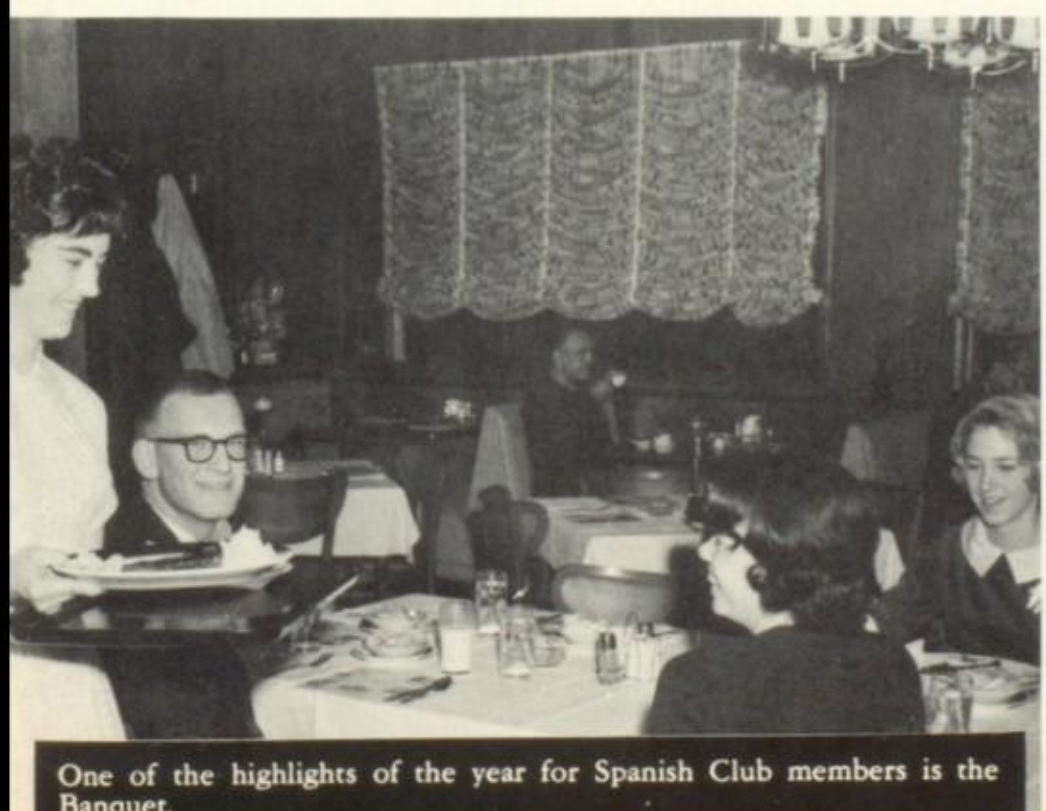
These three Spanish members have just received a shipment of candy for their annual sale.

The Spanish Club consists of students that are taking or have taken Spanish. Their financial project is the selling of candy. The social activities are a banquet and dance and a picnic at the end of the year. Each year a medal is given to a first year member and a second year member of the Spanish Club. These students are chosen from those making the five highest averages and voted on by their class.

Mrs. Dueno shows Ronnie Allanson a box of assorted candy to be sold, as the Spanish club starts their main fund raising project.



One of the highlights of the year for Spanish Club members is the Banquet.

Dickie Allanson, Roy Hickman, Sherry Robertson, Linda Knighting, Jerry Maphis, and Priscilla Collette, Special Feature writers.

Working double overtime this year, the WOOD POST staff has put out seven editions of the new eight-page WOOD POST plus a final twenty-page magazine the WOOD LOG. The larger WOOD POST provided coverage of all phases of school life.

To finance the larger WOOD POST, staff members increased ad sales by one-half, took pictures at Santa Claus Headquarters, and sponsored a Womanless Beauty Contest and a Spring Fashion Show. The WOOD POST worked with the Key Club to sponsor a drive for the Winchester Civic Center.

The Latest News

Jerry Maphis escorts David Larrick, a participant in the "Womanless" Beauty contest, sponsored by the Wood Post.

Gwen Skiles, Wood Post photographer, snaps a picture of Mrs. Rice for the "Teacher Feature" article in the monthly edition of the paper.

Dickie Allanson and Roy Hockman add another stripe to the ladder toward a new Winchester Civic Center. The Wood Post staff promoted the drive in James Wood.

With a Santa Claus furnished by the local Retail Merchants Association, the Wood Post staff took pictures of the children who sat on his knee. Here Dickie Allanson snaps a shot of a Winchester Child and her mother.

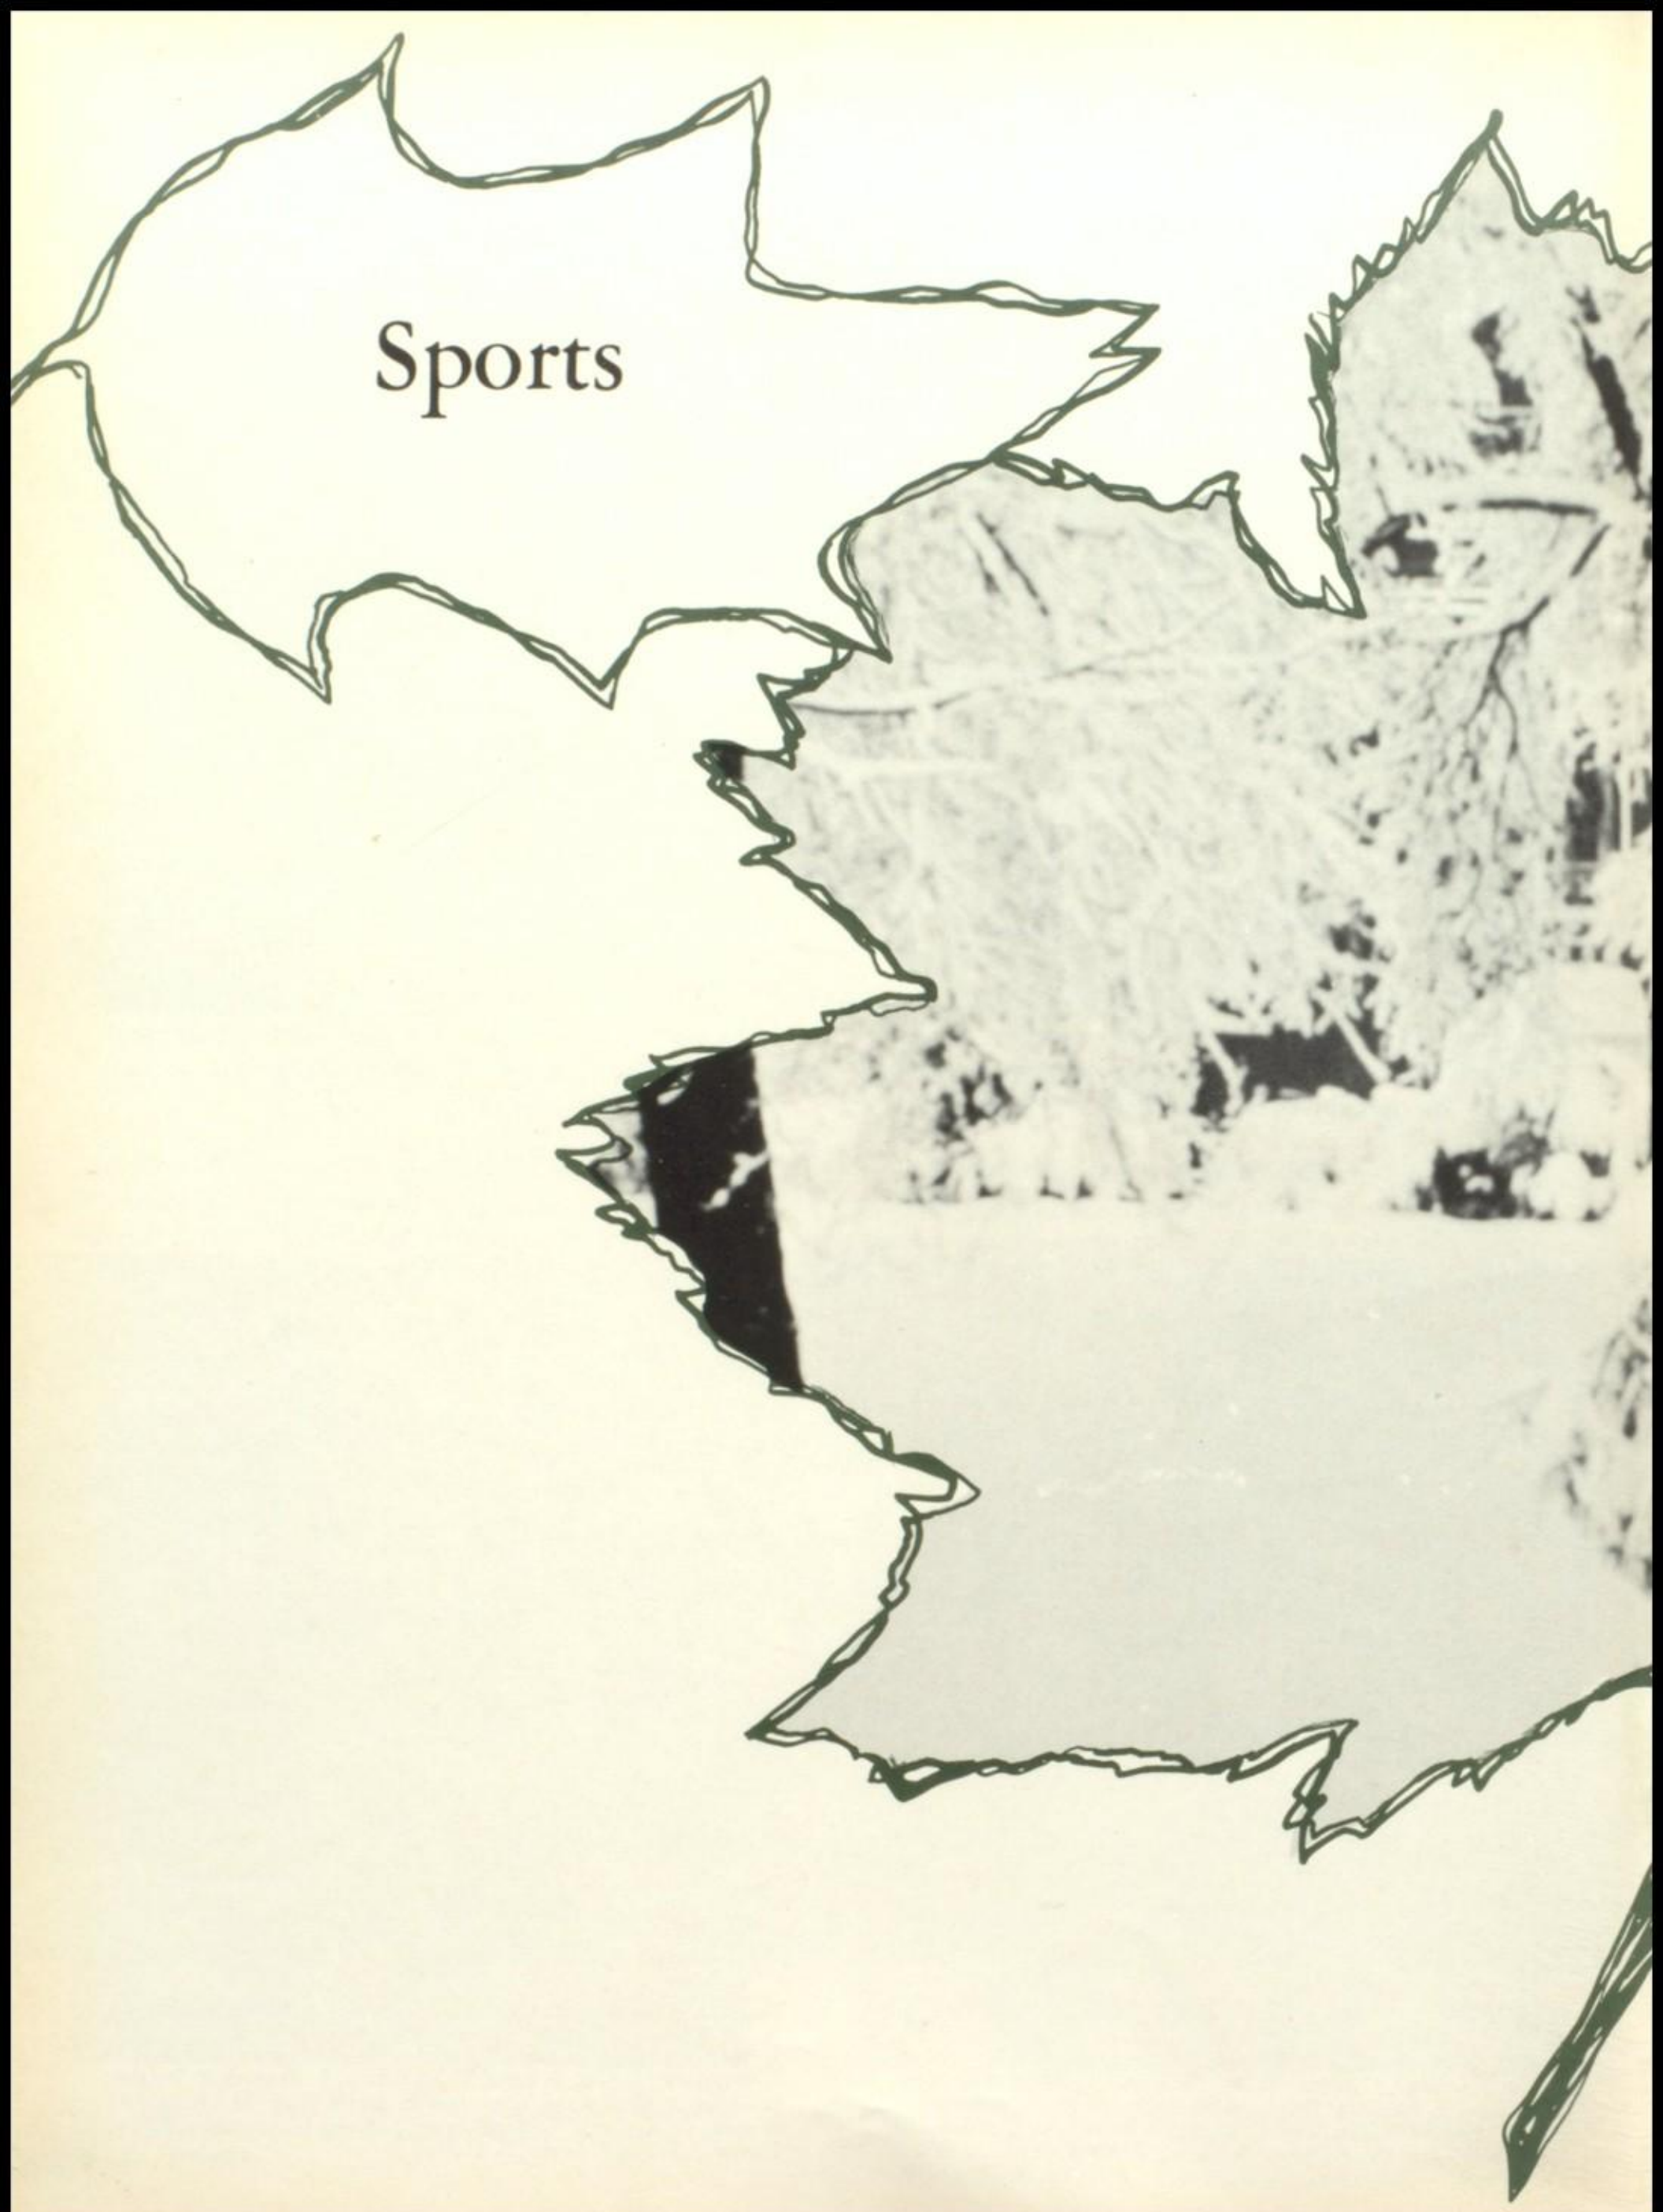
Sports



By the time of the first snow fall, sports are well on their way at James Wood.

Catching the long pass, sinking the ball, or winning a race or match . . . each of these events meant much to those who fought hard to win. These activities meant much to our student body, patrons, and others who attended our sporting events, watching breathlessly, rooting for the team or perhaps leading the cheers—all for the Colonels and for James Wood High.

The J. W. Colonels finished the 64-65 season with a 10-0 record. In the Northwestern District the fighting Colonels finished in first place. Under the coaching of head Coach James Casey and assistants George Walters and Walter Barr, this was James Wood's most successful season in the history of the school; no other previous Colonels' team had been undefeated.

Representing James Wood on the all District First Team was Chuck Marks. Honorable mention was awarded to Dicky Allanson, Bill Funk, and Bobby Orndorff. With Coach Casey losing just thirteen men by graduation, the football picture at James Wood looks extremely bright in the near future.

This year the James Wood Privates posted a 3-2-2 record. Although this wasn't as impressive as last year's, the boys and Coach Jerry Hannas should be congratulated for their fine display of sportsmanship. The team was heartily supported at home games by the Junior Varsity cheerleaders. With the spirit and determination demonstrated on the gridiron this year, James Wood can look forward to a bright future in football.

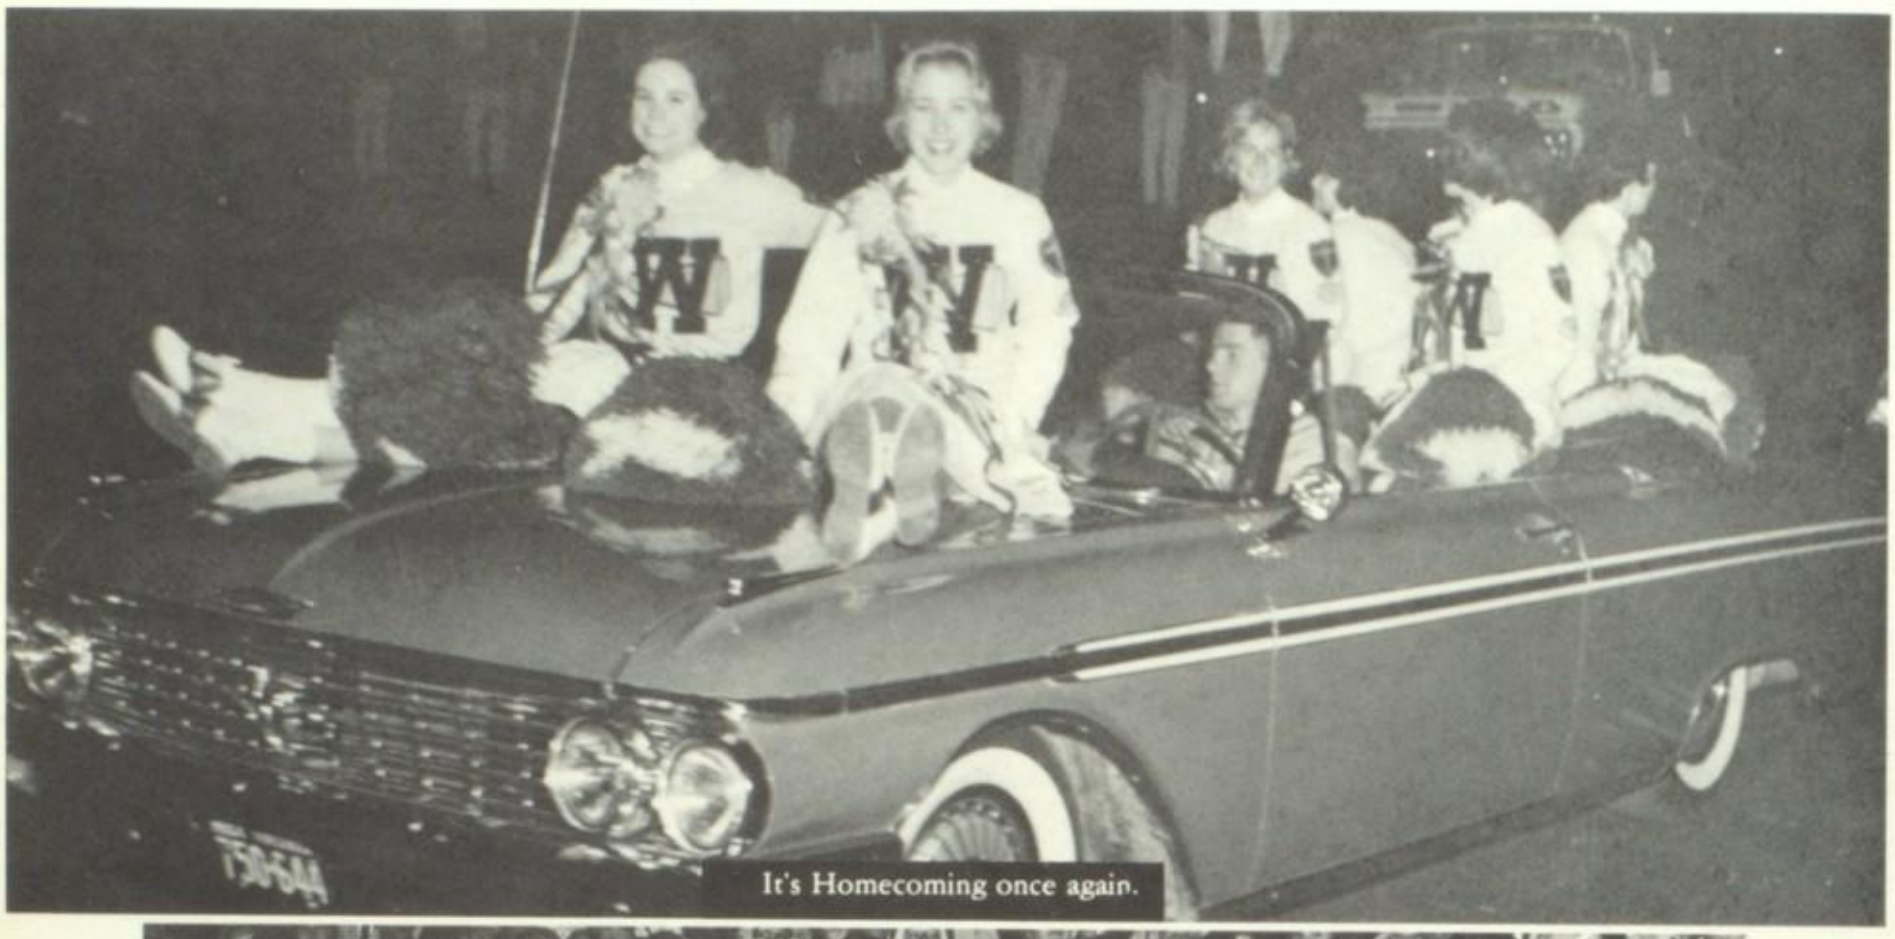
Each year the Pep Club, in co-operation with the Physical Education Department, work together to put on a Homecoming which will long be remembered by the players and the students. This year, the Queen and her princesses who reigned over the night's activities, were chosen by the football boys and everyone agreed wholeheartedly on their choice.

Victory . . . Is Our Cry . . .



It's Homecoming once again.

Amid the cheers and shouts of the James Wood students the voices of our vivacious Cheerleaders are heard above all.

These varsity girls strive to keep the spirit alive during every moment of each game.

With the guidance of their sponsor, Mrs. Shull, the friendly and sportsmanlike way these girls conduct themselves make the students proud of them.

Winning first place in the State-wide cheerleading competition, these girls won honor for themselves and high merit for their school.

Go, Privates, Go! Led by the Jr. Varsity Cheerleaders, excited fans have rooted the privates all the way. These girls, sponsored by Mrs. Payne, are chosen from the Freshman and Sophomore classes. They work hard all year introducing new cheers and practicing the old. The traditional cheer of James Wood goes for them also, "We've got a team, nobody's prouder....."

This year the basketball team gave James Wood something to be proud of. The Basketball Team returned four starters from last year's 12-8 team. The returning starters from last year were Roy Hockman, Butch Rinker, Doug Snapp, and John Nethers. Donnie Shifflet was brought up from the J. V. to make the 5th man on this Veteran Team. At the time of the publishing of our book the record was not complete, but the team had compiled a 13-1 record with a chance to go undefeated for the rest of the season. Varsity Basketball this year should prove to be one of the finest in the history of the school. Basketball at James Wood has been one of the highlights of an outstanding athletic program, and has had winning seasons for the last 10 years, which all the students of James Wood can be proud of.

The 1964 wrestling team had an outstanding season. Their record of eight wins and four losses bares witness to the fact that James Wood's grapplers are improving steadily. The wrestling team had a tough schedule this year and ended with a terrific upset over highly rated and undefeated Martinsburg, West Virginia.

James Wood purchased a great deal of wrestling equipment this year which we hope will tend to advance wrestling in this area. The coaching of George Walters will certainly make James Wood one of the top teams in years to come.

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.
